DR. WILLIAM A. CALDWELL

DIES AT ROCKVILLE

Graduate of Columbian and Practitioner Here for Several Years.

Dr. William A. Caldwell, who died at Rockville on Saturday, was a well-known physician in Washington and Wheeling, W. Va. Dr. Caldwell had been living in Rockville for the past eight months, and during that time had been a sufferer from pulmonary tuberculosis. He was forty years of age, and leaves surviving him his widow and one child, Dorothy.

Dr. Caldwell was born at Sherrard, W. Va., September 20, 1862. He entered the insurance business in Wheeling, W. Va., and upon the removal of the Wheeling office of his company to Washington, he was transferred here. While thus engaged, he entered the medical department of the Columbian College, from which he graduated in 1892. After spending a year in each Garfield and Columbian hospitals, Washington, he took a special course in diseases of the eye, ear, and throat, in New York city, and afterward settled here, where he practiced this specialty. Practice came to him rapidly, but his health broke down, and severe pulmonary hemorrhages set in, while conducting his office practice.

Under the care of the late Dr. W. W. Johnston he rallied sufficiently to travel to the Adirondacks, where he spent a year, receiving much benefit. For the next three years he sojourned at various mountain resorts in the hope of obtaining comfort and of prolonging his life.

In the winter of 1931-2, he was sufficiently improved to occupy the chair of anatomy and physiology in the premedical department of the University of West Virginia at Morgantown. Again becoming worse, he removed to Mountain Lake Park, Md., last summer. An old heart affection then became troublesome, and caused him to seek a lower altitude, and, having a college mate practicing medicine at Rockville, he settled there in October of last year.

In 1895 he married Miss L. Kate English, of Frederick, Md. Dr. Caldwell was a life-long communicant of the Presbyterian Church, and for fifteen years a member of Dawson Lodge, No. 16, of Masons. His funeral will take place from the Rockville Presbyterian Church this afternoon. The interment will be at Rockville Cemetery, his remains being laid to rest with Masonic honors.

RESCUED FROM DROWNING.

Mark Toole, aged fourteen, and Henry Shaw, aged thirteen, both of Anacostia, were rescued from drowning in the Eastern Branch by William Clark, a boatman, last night. The boys rowed out into midstream on a frail raft, which was overturned. Their cries were heard by Clark, who jumped in a boat and rowed out to them.

SUMMER TO REMAIN.

The orders issued yesterday to Rear Admiral Sumner, at Montevideo, to take his vessels to Valparaiso, Chile, were revoked today by the Navy Department, upon cable advices from the United States minister at the latter city, to the effect that the strike situation there is now reassuring.

EXECUTIVE CLEMENCY

SOUGHT IN FIFTY CASES

Applications for Pardons Sent to the President for Action.

Fifty petitions for executive clemency were sent to President Roosevelt yesterday by James S. Easby-Smith, pardon attorney for the Department of Justice.

These applications for a modification of sentences accumulated in the President's absence, and were acted upon by the Attorney General. In addition to these petitions, about twenty others are in the hands of the pardon attorney, and will probably be submitted to the President in a short time.

Most of the petitions now in the hands of the President seek the modification of sentences imposed for minor crimes. Nearly all States and Territories are represented among the prisoners who are seeking a commutation of sentence. There are no murderers in the list.

BROOKLAND TO HOLD PUBLIC RECEPTION

Compliment to Commissioners and Other Washingtonians.

It is announced by the Brookland Citizens' Association that a public reception will be given to the District Commissioners, the trustees of the Washington Public Library, and the presidents of the Board of Trade and the Business Men's Association, in Brookland, tomorrow evening at 8 o'clock. The reception will be outdoors, and in the form of a lawn party, weather permitting. A special committee of the association has the matter in charge, and it is expected the people of Brookland will turn out en masse to give the distinguished guests a hearty welcome to that enterprising suburb.

Incidentally it is understood to be the motive of the reception to help along the branch library plan. The citizens of Brookland have secured a site for the proposed library, and the trustees of the Public Library will be shown the advantages of the location to meet the requirements of the needs of that part of the District.

THE NEWS OF GEORGETOWN

Mizpah Chapter's Anniversary.

Mizpah Chapter, No. 8, O. E. E., celebrated the fifth anniversary of its organization last night, at Masonic Hall, on Thirty-second Street, in an appropriate manner. Mrs. V. C. Bornheim, worthy grand patron, made an opening address, in which she gave a short sketch of the work of the lodge since its organization. After her address she presented to the chapter a handsome silk hand-painted banner of the order. Mrs. William H. Harrison made response, thanking the donor on behalf of the chapter. An address was also made by the Rev. Stanley Billheimer, patron of the chapter, and pastor of the West Washington Evangelical Lutheran Church.

The feature of the evening's enjoyment was an excellent musical and literary entertainment, in which the following participated: Miss Artz, Mr. Crouthers, Miss Davis, Mrs. W. T. Reed, Miss Birch, Miss Raab, J. H. Hanlein, Miss Clark, Charles Wagner, Mr. Burg and E. L. Hutchinson.

After the entertainment refreshments were served, and then the floors cleared for dancing.

Entertainment by Singleton Lodge.

On the grounds surrounding the Tenleytown public school the members of William R. Singleton Lodge, No. 30, of Tenleytown, will give a complimentary

entertainment and lawn fete this evening to the members of their families and their friends. A number of special features have been arranged by the committee on arrangements, the chairman of which is Andrew Burga.

Silver Star Lodge to Entertain.

At the regular weekly meeting of Silver Star Lodge, No. 20, I. O. G. T., of Tenleytown, to be held Thursday, a musical and literary entertainment will be given. The program is being arranged by F. D. Yowell, secretary of the lodge.

News Notes and Personals.

The children of the West Street Presbyterian Sunday School will have their annual excursion to River View on Wednesday, July 1. During the day athletic sports will be indulged in, and the winners of the various events awarded with prizes.

Martin McKenna, of Thirty-fourth Street northwest, underwent an operation yesterday at the Georgetown University Hospital, for appendicitis. The operation was performed by Dr. William C. Gwynn.

The boys of Trinity Parochial School will give an entertainment the evening of June 16, at Trinity Hall, for the benefit of the new parish hall and school house.

NO AUTHORITY TO SEIZE DOG SUSPECTED OF RABIES

A. B. Duvall, Corporation Counsel, has advised the District Commissioners that they have no authority to order the seizure of a dog suspected of having rabies, with a view to killing it and causing an examination of its spine and viscera. Dr. George S. Chalmers made a request that a fox terrier be so seized and examined, which had bitten his brother, the latter exhibiting symptoms of hydrophobia. Mr. Duvall advised the swearing out of a warrant and prosecution of the owner of the dog in the Police Court.

VETERANS TO BANQUET.

Elaborate preparations have been made for the annual banquet of the Society of the National Rifles' Veterans, which will be given at Cabin John Bridge Hotel this evening. This is the twenty-third spread at which the members of the society have assembled to talk over old times and swap jokes, and there are indications that it will be the greatest in the twenty-three years of the organization.
